The Corporation of the Municipality of French River

Action Report

Report to: Mayor and Members of Council
From: Brennan Kenny, Economic Development Officer
Subject: Municipal Strategic Planning
Date: February 20, 2013

Origin

The need for strategic planning has been clearly defined by this Council. Council decided during the 2013 budget deliberations that this project would be led using staff resources, referencing the Ministry of Municipal Affairs and Housing when appropriate.

Background

The last strategic plan was introduced in 2007 and is out of date. While some recommendations from this plan were completed, many of them were not implemented. It is the goal of the Municipality that this plan be a “living document”, in that once it is complete, it is regularly reviewed and its key performance indicators are scrutinized.

Discussion

Staff has discussed the process internally and debated what would be the most efficient process moving forward.

Staff has also completed a SWOT analysis, and shared their values for the corporation and the community moving forward. This would be available to the steering committee.

Financial Considerations

Small fee for facilitation of public consultations (taken from 2013 budget).

Conclusion/Recommendation

Council must decide whether this strategic planning process is worthwhile to complete. Staff has several recommendations moving forward regarding process and Council involvement. They are as follows:

A steering committee is formed which will lead the process. This could be formed of 2-3 Council members, 3 staff and 2 members of the public. The Economic Development Officer and the CAO / Clerk would facilitate the process internally.

The process would be further developed by the steering committee and would be flexible throughout. Each month, there would be a report at the Council meetings to inform Council and the public of the progress that the Municipality has made within the month.

The steps the Municipality could take to move forward in the planning process could be as follows:

Timeline	Action
Staff Meeting January 31	Assess capabilities, who will be involved in the process, and staff's expectations of the process.
Council February 20	Council acceptance of entering into this process, direction to staff to create strategic plan steering committee, election of Councillors) to committee. Advertise information in tax bills newsletter.
Public Consultation	(2 weeks) – online survey and placed in newspaper – what does the public want to see in the process, what are their goals and values.
Steering Committee Meeting	Review of public consultation, SWOT analysis and review of process.
Council March 20	Update to Council on the process and meeting scheduling. (This will happen every month and will not be noted moving forward in the process).
Steering Committee Meeting	Early development of broad goals (ie: transparency, more efficient operations, etc – this is results-oriented) and guiding values (ie: small town character, family values, stewardship, enhanced social experience, etc) -committee will prioritize goals and values using “dotmocracy” exercise
Steering Committee Meeting	Review of broad goals and values, development of vision for community, mission for corporation, and specific objectives relating to service levels.
Public Consultations	(Must include seasonal residents) - two sessions (Alban-Noëlville), facilitated by a third party used to compare specific objectives, mission, vision and values and ask for input. Could combine one of these sessions with a town hall for efficiency/maximized use of resources.
Steering Committee Meeting	Review notes from public consultations, include in plan, begin to operationalize and timeline the objectives (internal process).
Steering Committee Meeting	Development of a communications plan.

This process, including the operationalization of the objectives will lead into the budget 2014 process, and should provide a smooth transition from planning to implementation.

Respectfully submitted,

2. Disclosure of Pecuniary Interest

None declared.

The Chair advised that the Director of Planning was not able to attend the meeting due to the weather conditions and that she had submitted her notes relating to the applications. The CAO fulfilled her duties for the purpose of the meeting.

The Chair summarized the procedure of a Public Hearing to deal with the consideration of a proposed general amendment to Zoning By-law 2003-23 and invited the CAO to advise how, when and to whom Notice of the Public Hearings were circulated.

The CAO informed Council that the Notice of the Public Hearings were posted in the Municipal Office and were sent by First Class Mail on December 19th, 2012 (1814746 Ont Ltd and Donna Spencer) and on December 20th, 2012 (Gudrunas) (being over twenty (20) days prior to this

evening's meeting) to the assessed owners within 120 metres of the properties subject to the proposed Zoning By-law Amendments, and to those persons and agencies likely to have an interest in the applications.

The CAO informed Council that an explanation of the purpose and effect of the proposed Zoning By-law Amendments and a key map showing the location of the properties were included with each Notice.

3. Application from (1814746 Ont Ltd)

The Chair then declared this portion of the Hearing to be a Public Hearing to deal with the consideration of the proposed general amendment to Zoning By-law 2003-23, Application No. ZBA 12-17FR (1814746 Ont Ltd) and invited the Director of Planning to summarize the purpose and effect of the proposed Zoning By-law Amendment and to provide any additional information and correspondence relevant to the application.

The CAO read the information sent by Ms. Riou summarizing the purpose and effect of the application and advised that correspondence was received from the Ministry of Transportation advising that the applicant must be made aware of permitting and sign requirements. (details in the Planner's Report)

The Chair invited the applicant to make a presentation.

The applicant was not present.

The Chair asked if there are any questions or comments from members of the public, to please stand, give their name and full mailing address to the Clerk.

No questions or comments from members of the public.

The Chair asked if there are any questions or comments from Council to the applicant, the Director of Planning, or any person who have made presentation.

Councillor Mike Bouffard had questions and requested clarification on the matter and presence of an impound yard within the town limits of Alban.

Councillor Larry Bouffard also had a few concerns and suggested that considering the questions from Council could not be answered at the time, that the Zoning By-law Amendment being considered at the Regular Council Meeting be deferred to next month and that Ms. Riou be present to answer questions at next month's Special Meeting.

The Chair declared this Public Hearing to be concluded and advised of the 20 day appeal period to the Ontario Municipal Board and that during this appeal period, no building permit may be issued or other work commenced. The Zoning By-law Amendment will be considered by Council at tonight's Regular Council Meeting.

4. Application from W. Gudrunas Holdings Ltd

The Chair then declared this portion of the Hearing to be a Public Hearing to deal with the consideration of the proposed general amendment to Zoning By-law 2003-23, Application No. ZBA 12-18FR (W. Gudrunas Holdings Ltd) and invited the Director of Planning to summarize the purpose and effect of the proposed Zoning By-law Amendment and to provide any additional information and correspondence relevant to the application.

The CAO read the information sent by Ms. Riou summarizing the purpose and effect of the application and advised that no comments or correspondence was received.

The Chair invited the applicant to make a presentation.

The applicant was not present.

The Chair asked if there are any questions or comments from members of the public, to please stand, give their name and full mailing address to the Clerk.

No questions or comments from members of the public.

The Chair asked if there are any questions or comments from Council to the applicant, the Director of Planning, or any person who have made presentation.

No questions or comments from Council.

The Chair declared this Public Hearing to be concluded and advised of the 20 day appeal period to the Ontario Municipal Board and that during this appeal period, no building permit may be issued or other work commenced. The Zoning By-law Amendment will be considered by Council at tonight's Regular Council Meeting.

5. Application from Donna Spencer

The Chair then declared this portion of the Hearing to be a Public Hearing to deal with the consideration of the proposed general amendment to Zoning By-law 2003-23, Application No. ZBA 12-21FR (Donna Spencer) and invited the Director of Planning to summarize the purpose and effect of the proposed Zoning By-law Amendment and to provide any additional information and correspondence relevant to the application.

The CAO read the information sent by Ms. Riou summarizing the purpose and effect of the application and advised that no comments or correspondence was received.

The Chair invited the applicant to make a presentation.

The applicant was not present.

The Chair asked if there are any questions or comments from members of the public, to please stand, give their name and full mailing address to the Clerk.

Alan Courchesne, son of the applicant questioned Condition No. 5 regarding the 5% cash in lieu or conveyance of land.

The Members informed that the Condition was a standard item added to all applications but not relevant to their application.

The Chair asked if there are any questions or comments from Council to the applicant, the Director of Planning, or any person who have made presentation.

No questions or comments from Council.

The Chair declared this Public Hearing to be concluded and advised of the 20 day appeal period to the Ontario Municipal Board and that during this appeal period, no building permit may be issued or other work commenced. The Zoning By-law Amendment will be considered by Council at tonight's Regular Council Meeting.

Moved By: Denny Sharp

Seconded By: Ron Garbutt

Resol. 2013- 8

BE IT RESOLVED THAT the Council of the Corporation of the Municipality of French River hereby approves the 2013 Operational and Capital Budget as presented and dated January 16, 2013.

Councillor Garbutt raised a point of privilege.

The Chair asked Councillor Garbutt to state his point of privilege.

Councillor Garbutt expressed his "Point of Personal Privilege" and requested that it be noted that he was uncomfortable that Council did not have the complete budget document, the supporting documents that could be referenced at a later time, a one source document outlining all of the projects and services and costs being provided to our tax payers, that he was in favour and believed in the budget process, but was uncomfortable with the lack of support data from which the decisions were made. He requested that the vote for the budget be recorded and he voted against the budget as a matter of principle.

Councillor Garbutt requested a Recorded Vote.

Resol. 2013-06

Seconded By: Denny Sharp

BE IT RESOLVED THAT the following minutes of the Economic Development Committee Meeting be accepted as presented:

Meeting held January 7, 2013

Carried

5.0 Reports and Items for Discussion

5.1.1 Chair's Report

-The Chair expressed a sense of motivation to move forward with projects approved within the municipal budget.

5.1.2 Sub-Committee Reports

5.1.2.1 Agricultural Sub-Committee

Attended Cattleman's Association meeting. Possibility of discussing with local retailers the issue of carrying local products. May petition the board of the Co-op. Should be an education process on the benefits of local cooperation with vendors. Raymond Monette will lead the process to create a working group to deal with such issues.

5.1.2.3 Tourism Sub-Committee

Nothing to report. Will be eliminated starting March 2013.

The work groups that took place concerning the projects included in the 2013 budget will move forward as ad-hoc committees and will be placed in the agenda within this section moving forward. They include not-for-profit networking, investment readiness, signage/branding, and community promotion. The Tourism Coordinator ad-hoc committee is no longer needed as the process will continue with interviews.

Furthermore, the current "Youth Steering Group" related to youth development within the community will become a subcommittee of the EDC starting March 2013, with the Community Development Officer acting as resource.

5.1.3 Economic Development Officer's Report

See attached report.

5.2 Old Business

5.2.1 Budget 2013

See attached summary of department budget.

5.2.2 Work Plans

All work planning committees met with the exception of signage/branding due to scheduling issues. This group will meet soon to discuss. Notes were summarized for the committee and will become more formalized in the coming months. Highlights include:

- The Tourism Coordinator start date is approximately April 1, 2013
 - The not-for-profit networking event will take place in early April 2013
 - The committee discussed the use of the "Land of the Voyageurs" mark and discussed perhaps using the brand "French River". This process will require public consultation, an external branding consultant, and work planning moving forward.
-

5.3 New Business

5.3.1 Review of Procedural By-Law

Each volunteer with the exception of Claude Dubuc, who was absent, signed their form verifying that they understand the code of conduct and procedural by-law. The document was reviewed with the committee.

6. Correspondence

The committee was informed that Joerg Buechli will no longer form part of

the committee and that the vacancy will be advertised throughout the community in the coming weeks.

7. Addendum

None.

8. Notice of Motion

None.

9. Announcements and Inquiries

The committee discussed the role of external support groups such as RDEE, FedNor, NOHFC and Economic Partners. From this point forward, the relationship will be on a project-by-project basis for the sake of consistency.

10. Closed Session

None.

11. Items Deferred to Next Meeting

None.

12. Adjournment

Moved By: Denny Sharp

Resol. 2013-07

Update

New Website

Most of the features within the website are now working as they should, the notices board is slowly populating and the events calendar will grow in the coming months. There have been notices posted around town indicating to the public that there is a new website and some of the features it holds.

Budget 2013

The 2013 budget has been passed and a copy of the department's budget is enclosed. This does not include salaries and benefits, and represents a total increase from last year if capital for the industrial, which was not completed, is excluded.

Work Planning

There have been four work planning sessions over the past few weeks. These were very worthwhile, and each group may be required to meet sporadically throughout the year to discuss the program. We're also soliciting support from the public to join these committees, and a couple of members have already stepped forward to aid in tourism, for example.

General News

We continue to await word on our investment readiness application which was made to NOHFC.

A Youth Internship application will be submitted to the NOHFC for the purpose of the Community Development Officer position, with a start date of April 1.

I will be aiding Council in the facilitation of their five year municipal strategic plan over the next year, once the process is approved. This will likely begin in March. There will be extensive public consultation. This works hand-in-hand with the asset management plan we're developing and the Economic Development Strategic Plan, and will have budget implications for 2014 and beyond.

5. Reports

5.1 Management Reports

5.1.1 Chair's Report

The Chair summarized his report that was submitted under separate cover.

Councillor Sharp commented that the Municipality of West Nipissing should be included as well as a participating authority.

Mr. Lamothe commented that the project might be best served by Council Members of the municipalities because of the political aspects.

The Chair mentioned that the ground work such as the gathering of information, the review and research should be done by the public members of the committee and sub-committee. However, there are steps and areas that will become political and best served by Councillors.

Action: The Members gave consensus to proceed with investigating the feasibility of setting up a Conservation Authority to protect Lake Nipissing and French River Watershed and to direct the Waterways Sub-Committee to carry out that investigation and provide the committee with a full report by the April Meeting.

5.1.2 Waste Management Lead Report

Mr. Lamothe submitted his report under separate cover relating to the Waste Management Ad hoc Committee.

A methodology was presented as a problem solving technique to be used as a guide to arrive at the sub-committee's recommendation for the collection of waste and recyclables and the control of their disposals.

The mandate of the sub-committee is to review the practices and processes and where possible, identify potential improvements or modifications to the current practices; recommendations would be presented to the committee for consideration and possibly referred to Council.

Action: Mr. Lamothe and Waste Management Coordinator will meet and report on an update on options and times frames at the March Meeting.

Mr. Lebert asked the Waste Management Coordinator on how the collection of fees was going at the Landfill Site with the second attended.

The Waste Management Coordinator informed that he had not compared the collection of tipping fees yet but that there was a huge difference with the overall operations of the site such as control on disposals and the management of the tipping face.

5.1.3 Septage Lead Report

Mr. William Nuttley was nominated as the Lead to coordinate the projects for the Septage Projects.

The Chair updated Mr. Nuttley on items relating to the lagoons, the grant application submission and previous meetings.

Action: The Waste Management Coordinator will contact Mr. Nuttley to update him further on the items that will be coordinated under the Septage Sub-Committee.

5.1.4 Waterways Lead Report

Mr. Slobodan was nominated as the Lead but was away on vacation at the time of the meeting.

5.2 Old Business

5.2.1 Information Report - Noëlville Lagoons including the renewal of the service contract with Ontario Clean Water

The Waste Management Coordinator summarized the report submitted under separate cover and informed that individual quotes will be requested for each item listed as Additional Recommended Services.

Action: The Members agreed with the additional recommended services as listed in the report and added the installation of a depth measurement device at the lagoons. The agreement will be presented at the March Environmental Advisory Committee Meeting and then reviewed at the March Finance & Administration Committee Meeting prior to the March Regular Council Meeting.

5.2.2 Discussion on the water ways protection sub-committee

The Chair will submit the information that he gathered to the Lead.

The Waste Management Coordinator informed that only three membership applications were received; another means of promotion will be taken.

5.3 New Business

5.3.1 Discussion on the meeting with the Sudbury District Health Unit

The Chair informed that the meeting that was set for January 29th was cancelled due to weather; Councillor Sharp and the Waste Management Coordinator agreed to attend the meeting once re-scheduled.

5.3.2 Review of Procedure By-law

The CAO reported that a copy of the Procedure By-law which includes the Code of Conduct was distributed to the Public Members of the Committee for their review and understanding. The Confirmation of Understanding form must be signed and submitted to the Chair.

5.3.3 Information Report - Landfill Operations

There were no questions relating to the Report.

6. Correspondence

7. Addendum

8. Notice of Motion

9. Announcements and Inquiries

5.0 Reports and Items for Discussion

5.1. Management Reports

5.1.1 Monthly Disbursements

The total disbursements reported for the month of January 2013 were in the amount of \$ 560,537.45.

5.1.2 Budget Performance

The Treasurer informed that the reports were not ready because of the timing of the last month of the year and the first month of the new year.

The unaudited final December Budget Performance Report will be distributed under separate cover by the first week of March.

The January report requires that the 2013 Budgeted Items be broken down into the appropriate months, the Department Heads have submitted their 2013 Work Plan which will determine how to allocate the budgeted amounts.

5.1.3 Supplemental Tax Levy

The Treasurer gave a description of Supplemental Tax Levies and informed that the Supplemental Tax Bills would be sent after the due dates of the Interim Levy to avoid interfering with the tax billing due dates and amounts.

The Treasurer also informed that the Supplemental Tax Levies from November to April will now be processed in May with a June due date and the Supplemental Tax Levies from May to October will be processed in November with a December due date; this process will be included in a policy for consistency.

The Employee Classification, Employee Compensation Plan Schedule and Job Descriptions were presented under separate cover.

The CAO summarized the report.

Action: The Members recommended that a Resolution be presented at the February Regular Council Meeting to adopt the Employee Classification, Employee Compensation Plan Schedule and Job Descriptions as part of the Employee Policy Manual.

5.2.2 Action Report - Council & Volunteer Firefighters Policy

The CAO summarized the report.

Action: The Members agreed to defer the policy to the March Meeting to allow Council to further review it.

The following items were identified as requiring further discussions:

Item 3.1 a) review of annual remuneration for Council Members

Item 5.a) removal of 'overnight' and review of per diem rate for half days;

Item 6. b) review the mileage rate of \$.50

5.2.3 Action Report - Student Employment Policy

The CAO summarized the report.

Action: The Members recommended that a Resolution be presented at the February Regular Council Meeting to adopt the policy.

5.2.4 Action Report - Smoke Free By-law, designation of 'Parkland' areas

The By-law Enforcement Officer summarized the report.

Action: The Members agreed that no further action be taken to designate parks as smoke free spaces considering playgrounds and recreation fields are already designated as smoke free.

5.3.1 Action Report - Administrative & Landfill Site Fees and Charges

Action: The Members recommended the changes, the 2013 Fees and Charges By-law will be presented at the February Regular Council Meeting.

5.3.2 Action Report - Hydro One Small Business Lighting Grant

The Parks & Recreation Manager summarized the report.

Action: The Members recommended Option 1; a Resolution will be presented at the February Regular Council Meeting.

5.3.3 Action Report - Library Control Evaluation

The CAO summarized the report.

Councillor Larry Bouffard commented that he has received complaints concerning the hours of operations of the Alban Branch and requested that the library prepare a questionnaire to receive feedback from the public relating to preferred alternate hours.

The Library Chief Executive Officer commented that the Alban Branch has been open late within the last few years and that statistics proved lack of usage during those late hours.

Action: The Members recommended that a Resolution be presented at the February Regular Council Meeting to direct staff to approach the library board to see what questions and concerns they may have regarding having the administrative and human resources component of the library operations fall with the Municipality and to follow up by drafting an action plan to move forward.

The method of reviewing the Alban Branch hours would follow that process.

5.3.4 Action Report - OPP Cost Report

The CAO summarized the report.

Action: The Members recommended that a Resolution be presented at the February Regular Council Meeting to direct staff to move forward with a review of both the informal and the formal costing systems and possible partnership with SEMA.

10.2.1 [Healthy Communities Fund Policy](#)

[Healthy Communities Fund Issue Report](#)

Program Planning Committee Chair, Lou Addison, reminded the Board of the removal of the Community Start-Up and Maintenance Benefit from Social Assistance. Due to this the Healthy Communities Fund policy had to be revised.

Donna Moroso, Director of Integrated Social Services, walked the Board through the changes.

Donna explained that 50% of the provincial expenditures from CSUMB are being transferred to the Ministry of Municipal Affairs and Housing and are being consolidated into one funding envelope along with the Homelessness Funding.

The new envelope is called the Community Homelessness Prevention Initiative (CHPI) and is a 100% provincially funded investment that amounts to approximately \$246 million for 2013-14. This includes the current level of funding associated with the five existing programs.

The CHPI brings funding for the following five provincial homelessness-related programs together under a single policy and accountability framework:

- Consolidated Homelessness Prevention Program (MCSS)
- Emergency Energy Fund (MCSS)
- Emergency Hostel Services (MCSS)
- Domiciliary Hostel Program (MCSS)
- Provincial Rent Bank (MMAH)

[Community Homelessness Prevention Initiative Guidelines](#)

The Community Homelessness Prevention Initiative (CHPI) aims to prevent, address and reduce homelessness by improving access to adequate, suitable and affordable housing that is linked to flexible support services based on peoples' needs.

The Province has established two key program outcomes for the CHPI, which will measure performance and ensure accountability:

- a) People experiencing homelessness obtain and retain housing; and,
- b) People at risk of homelessness remain housed.

DSSAB/CMSM's are required to deliver services that will address both program outcomes.

DSSAB/CMSM's are also required to develop and submit an Investment Plan (IP) that will outline how their funding allocations will be used each year.

Under the CHPI, DSSAB/CMSM's have the flexibility to use funding for any of the following four service categories:

1. Emergency Shelter Solutions
2. Housing with Related Supports
3. Other Services and Supports
4. Homelessness Prevention

As a result of the new Community Homelessness Prevention Initiative guidelines, staff have reviewed the current Healthy Communities Fund policy and have made the changes necessary to ensure that the new guidelines are being followed when allocating the funds to low income families.

Summary of the new Healthy Communities Fund Policy:

The Manitoulin-Sudbury DSB's Healthy Communities Fund is comprised of four separate service components:

1. Emergency Shelter Solutions
2. Housing with Related Supports
3. Other Services and Supports
4. Homelessness Prevention

The four service categories capture services and activities designed to meet the needs of households who are:

- Currently homeless; or
- At risk or in imminent risk of homelessness

Emergency Shelter Solutions

Local non-profit community organizations can access the Manitoulin-Sudbury DSB's emergency shelter solutions under the HCF funding to assist individuals with emergency food and shelter costs.

Housing with Related Supports, Other Services and Supports, Homelessness Prevention

Eligibility for these components will be limited to one issuance within a 12 month period. Under exceptional circumstances clients may be able to exceed the above policy with the approval of the Director of Integrated Social Services.

Eligibility for the housing with related supports, other services and supports and the homelessness prevention will be based on the most recent Low Income Cut-Off (LICO), for the appropriate family size published by Statistics Canada. In order to qualify for these benefits, all individuals applying must demonstrate that they have exhausted all other possible financial resources including disposition of assets where reasonable.

In order to qualify for the Healthy Communities Fund, individuals need to complete the Healthy Communities Fund application as well as an action plan.

10.2.2 [Our Kids Count Policy](#)

[Our Kids Count - Issue Report](#)

Program Planning Committee Chair, Lou Addison, expressed the need to revise the Our Kids Count Policy due to the elimination of the Community Start-Up and Maintenance Benefit.

Donna Moroso, Director of Integrated Social Services, walked the Board through the changes.

As a result of the elimination of CSUMB, the Our Kids Count Policy has been revised to ensure that we provide services to all low income families in our district and that we remain on budget with our expenses.

The Our Kids Count program is a Social Assistance Reinvestment program that assists all low-income families by:

- Supporting parents on social assistance as they move into employment with improved access to essential benefits and services for their children;
- Providing much needed support to parents who are employed in low-income jobs to stay employed.

The strategy of the Social Assistance Reinvestment is to reduce child poverty by providing income supplements and other assistance outside of social assistance so that families can keep those supports as they move into jobs.

The program is comprised of three separate components:

1. **Recreational Bursaries**

The Manitoulin-Sudbury DSB will cover (a portion of) the registration fee for children in low-income families residing within the DSB's catchment area to participate in recreational or summer/after school programs – organized sports like soccer, baseball, skating, etc.

The yearly maximum of \$500 per child is being reduced to \$300 per child.

2. **Early Childhood services & Supplementary Health Benefits**

The Manitoulin-Sudbury DSB will assist families with the cost of items related to a child's health and safety to low income families residing within the DSB's catchment area for items such as: strollers, car seats, emergency formula and diapers, etc.

The yearly maximum of \$500 per child is being reduced to \$300 per child.

3. **Informal Child Care Subsidies**

To support parents as they move from social assistance to employment in areas where licensed childcare is not available, the Manitoulin-Sudbury DSB has created informal childcare subsidies.

The eligibility for subsidy is being reduced from a one year period to a three to six month period.

Eligibility for these benefits will be based on the most recent Low Income Cut-Off (LICO), for the appropriate family size published by Statistics Canada instead of the previous Canadian Council on Social Development.

Families in receipt of OW and/or ODSP automatically qualify.

10.2.3 [Mandatory & Discretionary Benefits Policy - Issue Report](#)

[Summary of Ontario Works Policy Changes](#)

Program Planning Committee Chair, Lou Addison, informed the Board that as of July 1, 2012 the province capped the discretionary benefits provided under the Ontario Works program. This has resulted in a need to review and revise the DSB Ontario Works Policies.

Donna Moroso, Director of Integrated Social Services, walked the Board through the changes.

The DSB expenditures on Discretionary Benefits in 2011 were \$147,034. Prior to July 1st, 2012 the formula was \$8.75/case for non-health related Discretionary Benefits. The new formula is \$10/case on combined health and non-health related Discretionary Benefits, this was effective July 1, 2012.

Based on our analysis of these new rules the Manitoulin-Sudbury DSB has an annual allocation of approximately \$145,000 for health and non-health related Discretionary Benefits. This amount would seem manageable as it is close to our actual expenditures but with the elimination of the Community Start-Up and Maintenance Benefit on January 1, 2013 it will put a lot of pressure on the Discretionary Benefits allocation. Based on figures provided by the Ministry of Community and Social Services, the Manitoulin-Sudbury DSB spent \$284,615 on the CSUMB benefit over a 12 month period from April 2011 to March 2012.

The vast majority of the items covered by the CSUMB benefit are also eligible under Discretionary Benefits, so the items requested under CSUMB will become requests that will be made under the Discretionary Benefits policy.

This will mean that many requests for assistance which qualify under the Discretionary Benefits will need to be denied as staff try to live within the provincial maximum on Discretionary Benefits.

Staff will need to track and monitor this closely to ensure we do not exceed our provincial maximum. Any expenditure that exceeds the provincial maximum will not be cost shared by the province and will be a 100% municipal cost.

Resolution 13–10

Moved by: Lou Addison

Seconded by: Bruce Killah

WHEREAS the Ministry of Community & Social Services has made significant changes to the Social Assistance system in Ontario by eliminating the Community Start-Up and Maintenance Benefit (CSUMB) and capping the issuance of Discretionary benefits; and

WHEREAS the Program Planning Committee has reviewed the Ontario Works Discretionary and Mandatory Benefits Policy - Issue Report and is recommending approval to the Board.

THEREFORE BE IT RESOLVED THAT the Manitoulin-Sudbury DSB approves [Ontario Works Mandatory and Discretionary Benefits Policy - Issue Report](#) and directs staff to implement the recommendations within the report; and

FURTHER BE IT RESOLVED THAT the Manitoulin-Sudbury District Services Board approves the changes, additions and deletions to the Ontario Works Policy Manual as detailed in the [Summary of Policy Changes](#) document effective February 1, 2013.

Carried

10.2.4 [Special Priority Policy](#)

Program Planning Committee Chair, Lou Addison, informed the Board that the DSB was creating a new local policy in relation to Special Priority status within the Social Housing Program.

Donna Moroso, Director of Integrated Social Services, walked the Board through the changes.

The purpose of the policy is to define the process involved with our special priority applications. Up until now, we have followed the regulations and had no local policy. The Special Priority policy is being prepared so that staff and clients know what our policy is and how we apply the rules.

Service Managers have the flexibility to determine wait-list priorities. We have chosen to remain with one priority, and that is the Special Priority Status for victims of family violence.

When the waiting list has more than one Special Priority applicant approved, the applicants are listed at the top of the waiting list in chronological order.

Special Priority status only applies to Rent-Geared-to-Income (RGI) eligible applicants.

Resolution 13–11

Moved by: Lou Addison

Seconded by: André Byham

WHEREAS the Program Planning Committee has reviewed the new Special Priority Policy and is recommending approval to the Board.

THEREFORE BE IT RESOLVED THAT the Manitoulin-Sudbury DSB approves the new [Special Priority Policy](#) contained within the Social Housing Policy Manual effective February 1, 2013.

Carried

10.2.5 [Fire Code Policy – Social Housing](#)

Chair of the Program Planning Committee, Lou Addison relayed to the Board that due to some recent incidents within our Social Housing portfolio staff found it necessary to update the Social Housing Fire Code Policy.

Steve Broadhurst, Supervisor of Infrastructure and Asset Management, walked the Board through the changes.

Due to a small fire, in which no one was hurt, but there was property damage, it was discovered during the investigation by the Fire Marshal that the smoke detector had been disabled.

Based on these findings the Fire Marshall inspected six other units and found that three other smoke detectors had been disabled.

Going forward as a matter of policy and process for DSB staff, where DSB staff discovers a smoke detector has been disabled, is missing or impaired, they will report this immediately to their supervisor, who will notify the Fire Marshal's office for investigation.

In the interim the smoke alarm will be put back in operating condition and the tenant will be advised not to tamper or disconnect the smoke detector.

Smoke detectors will be checked for compliance during the annual unit checks as well as anytime a DSB custodian is in a unit for service request work.

Although these changes may seem like common sense, we felt it was important to update our policies and procedures so staff and tenants have clear direction in dealing with these issues.

The Board inquired about the effect of the new fire code on DSB Social Housing properties. The Board was advised that although there are new Fire Codes in

place regarding smoke detectors, our buildings will be grandfathered; the new codes would only apply to new construction.

The Board inquired if there were any clauses in the DSB lease with tenants regarding the proper use of smoke detectors and other alerting devices. The Board was advised that there is a clause in the DSB lease agreement that refers to the disabling of smoke detectors.

Resolution 13–12

Moved by: Lou Addison

Seconded by: Jack McMillan

WHEREAS the Program Planning Committee has reviewed the revised Fire Code Policy for DSB Social Housing units and is recommending approval to the Board.

THEREFORE BE IT RESOLVED THAT the Manitoulin-Sudbury DSB approves the revised [Fire Code Policy](#) contained within the Social Housing Policy Manual effective February 1, 2013.

11.3 [New Child Care Funding Model - Issue Report](#)

Chair of the Program Planning Committee, Lou Addison informed the Board that the Ministry of Education had developed a new funding formula which has resulted in a 40% increase to the Manitoulin-Sudbury District Services Board Child Care funding envelope.

Donna Moroso, Director of Integrated Social Services, walked the Board through the new funding formula.

In addition to this increased funding, comes increased flexibility to distribute these funds, and the ability to create policies and procedures that stabilize the child care sector. Now, as system service manager's, we will be able to stabilize the child care system through funding and rules that are attentive to our unique needs.

As a result of these significant changes, the Manitoulin-Sudbury District Services Board will be meeting with our partner child care agencies in the near future. The Manitoulin Sudbury District Services Board remains committed to supporting each of our child care agencies in the invaluable work they do to support the children, families, and economy of our communities. Recognizing the value of their work, knowledge, and experience, the purpose of the meeting will be to collaborate on the development of a new system of support which will turn the focus, from a system of complicated and restrictive grants and allocations, to a simplified system involving an Operating Budget that will better support our local child care system.

Resolution No. 13-15

Moved by: Sonja Flynn

11.4 Non-Urgent Inter-facility Patient Transportation

Chair of the Program Planning Committee, Lou Addison, reminded the Board of the 2 proposals submitted by the DSB regarding the North East LHIN Expression of Interest on the topic of Non-Urgent Patient Transportation.

[NE LHIN LaCloche Manitoulin](#)

[NE LHIN Chapleau](#)

Mike MacIsaac, Chief of EMS, reported on the outcome of these proposals.

Earlier this month we were notified that our LaCloche-Manitoulin proposal was approved and will be fully funded by the NELHIN as per the submitted budget for a period of up to six months. We were also advised that our Chapleau proposal was declined.

The LaCloche-Manitoulin plan was one of only three approved for the trial in Northeastern Ontario.

Planning to move forward has begun involving meetings with the hospital partners (Espanola Regional Hospital & Health Centre & Manitoulin Health Centre) and the NELHIN. The two decommissioned ambulances are being serviced, job postings are out, estimates are being generated for approved equipment, development of the Policy & Procedure Manual is underway utilizing current EMS documentation as a guideline, and evaluation criteria are being established jointly with the other two successful proposals.

There was one obstacle in the proposal surrounding the availability of the Central Ambulance Communications Centres (CACC) to continue booking and dispatching these transfers. The Ministry of Health & Long Term Care (MOHLTC)

has denied our request to continue with CACC involvement much to the dismay of all involved in this project. It is disappointing that a project initiated by the LHIN regarding efficient patient care does not receive the support of the Emergency Health Services Branch of the MOHLTC. Regardless, preparations are underway to move forward without CACC involvement. An internal solution is being developed; one that will hopefully achieve greater results than if we were to have CACC being involved. We will be utilizing one of the EMS Managers to oversee this project from an operational perspective on an as needed basis.

To reiterate the goal of this project, we are looking to test the efficiencies of an alternate level of patient transportation in between healthcare facilities. We will be utilizing non-ambulance transportation with the aim of reducing transportation wait times, getting patients to their appointments on time, increasing the responsiveness of EMS to medical emergencies, and creating just an overall positive patient experience.

Anticipated start time on the road is March 4, 2013.

We are delighted that the NELHIN has reviewed our proposal and believes there is merit in testing a system as planned. Time will tell whether this could truly be a made in the North solution to the longstanding issue of non-urgent patient transportation.

12.0 Other Business

Fern Dominelli, CAO, informed the Board that the DSB received an extra [\\$60,000 in Investment in Affordable Housing - Ontario Renovates](#) funding which must be utilized Feb 28th on home renovations. The DSB has many applications on file waiting for funding, so there should be no issue using these funds by the due date.

5.0 DELEGATION / PRESENTATION

i) Infant Feeding Study

- Shannon Dowdall-Smith, Specialist, Clinical and Family Services Division
- Michael King, Epidemiologist, Resources, Research, Evaluation and Development Division

Shannon Dowdall-Smith and Michael King were introduced and welcomed to present findings from an infant feeding study.

The purpose of the study was to increase understanding of patterns of infant feeding practices and factors that influence these practices during the period of birth to 12 months as well as to inform programming decisions at the Sudbury & District Health Unit (SDHU).

The study has provided large volumes of rich data and analysis from the surveys that were conducted; however, today's presentation focused primarily on results of the breastfeeding duration. Board members were informed that in addition to the summary report included in today's Board agenda package, a technical report containing detailed analysis and interpretation of all of the topics will be released at the end of February and will be available through the SDHU internet.

Questions were entertained. It was concluded that the reports will be shared with staff as well as other service providers who can benefit from this local data not previously available. It was acknowledged that it would be useful to conduct the study again in a few years to have comparative data. Presenters were thanked for their presentation.

6.0 MINUTES OF PREVIOUS MEETING

i) Ninth Meeting – November 15, 2012

01-13 APPROVAL OF MINUTES

Moved by Dutrisac – Noland: THAT the minutes of the Board of Health meeting of November 15, 2012, be approved as distributed.

CARRIED

7.0 BUSINESS ARISING FROM MINUTES

i) Board Member Self-Evaluation of Performance

Further to the November 15, 2012, Board meeting where a 22-question survey tool was distributed to Board of Health members, survey findings received have been compiled for the Board's review and discussion.

Seven out of 13 surveys distributed were completed for a response rate of 54%. Dr. Sutcliffe reviewed the findings and concluded that overall, the responding Board members evaluated their own performance and processes very positively.

8.0 REPORT OF THE MEDICAL OFFICER OF HEALTH AND CHIEF EXECUTIVE OFFICER

i) January 2013 – Medical Officer of Health and Chief Executive Officer (MOH / CEO) Report

As noted in the CTV news report quoted in the MOH/CEO report under *Words for thought*, the new year started off very busy at the health unit due to work related to influenza, outbreaks in institutions and E. coli. Dr. Sutcliffe stated that currently, there are 8 respiratory outbreaks with 6 of these identified as Influenza A. Also, to date we have had 57 confirmed influenza A and 1 influenza B. An additional flu clinic will be held at the SDHU on Saturday to accommodate an increased demand for the influenza vaccination. Dr. Sutcliffe reported that staff are handling the work well and that good systems are in place to respond to the community needs.

Recruitment has been successful for the position of Director of the Resources, Research, Evaluation and Development division and the Board congratulated Renée St Onge for her permanent appointment to the senior management team.

The SDHU held another very successful United Way workplace fundraising campaign and raised \$16,356. The Health Unit was awarded the United Way's Team Spirit Award at their 2012 Campaign Touchdown event for having reached its campaign goal in just eight days. Board members were thanked for their support and for participating in this year's campaign.

Board members were reminded of the Funding Review Working Group established by the MOHLTC introduced in 2009 and formally established in 2010. The Working Group had gone into hiatus to be struck again and it is anticipated that they will be consulting with the field regarding a proposed public health funding model. The Board will be kept apprised of any new developments.

The Healthy Kids Panel has wrapped up its work and finalized its recommendations. The Panel's report is expected to be delivered to the Minister of Health and Long-Term Care by late winter/early spring of 2013. Dr. Sutcliffe acknowledged that the SDHU staff played an important part in gathering data and supporting the MOH in her role as a Healthy Kids Panel member.

The Family Health Team and dietitians are working with local residents to improve food skills through the NOAH project.

As Chief Nursing Officer, S. Westhaver will be chairing the newly approved Professional Practice Committee. The Committee has interdisciplinary representation to promote excellence in public health practice across all disciplines.

Although an update will be included in next month's Board report, Dr. Sutcliffe noted the excellent work the Environmental Health division staff engaged in with respect to investigation and reporting of E. coli cases locally that were linked to the E. coli outbreak in the maritimes.

SDHU health promotion staff have been working for many years on reducing childhood obesity and have recently invited community partners to participate in training to learn about and consider adopting the balanced approach to health in their own organization.

A new demographic profile report and fact sheet are available. Board members received a copy of the fact sheet in today's board package and those interested are invited to take a copy of the complete report. The Demographic Profile reflects information from the mandatory 2011 Census conducted by Statistics Canada and includes information such as population change since 2006.

The Board-approved 2013-2017 strategic plan was recently launched at an all staff meeting.

02-13 ACCEPTANCE OF REPORT

Moved by Noland – Berthiaume: THAT the Report of the Medical Officer of Health and Chief Executive Officer for the month of January 2013 be accepted as distributed.

CARRIED

9.0 NEW BUSINESS

i) Items for Discussion

a) Attendance Record – 2012 Board of Health Meetings

As per Board Policy G-I-30, a yearly Board attendance summary is prepared and shared with the Board every January.

b) Board of Health Meeting Date

In previous years, depending on the circumstances, the Board has either cancelled or rescheduled the March Board meeting, recognizing the annual March break.

03-13 BOARD OF HEALTH MEETING DATE

Moved by Noland – Schoppmann: WHEREAS the Sudbury & District Board of Health regularly meets on the third Thursday of the month; and

WHEREAS By-Law 04-88 in the Board of Health Manual stipulates that the Board may, by resolution, alter the time, day or place of any meeting;

THEREFORE BE IT RESOLVED THAT this Board of Health agrees that the regular Board of Health meeting scheduled for March 21, 2013, be cancelled.

CARRIED

c) Reallocation of Budgeted In-Year Surplus Funds

Dr. Sutcliffe indicated that the proposed motion is housekeeping in nature and documents, for greater transparency, the process we have in place for reallocating within year gapped funds to needs that arise within year.

04-13 REALLOCATION OF BUDGETED IN-YEAR SURPLUS FUNDS

Moved by Berthiaume – Dutrisac: WHEREAS, the Sudbury & District Board of Health is committed to promoting organizational excellence, establishing a strong foundation for effective and efficient program and service delivery and further enhancing organizational performance, accountability and sustainability; and

WHEREAS, these goals are consistent with the management and governance requirements set out in the Health Protection and Promotion Act, the new Public Health Accountability Agreement and the new Ontario Public Health Organizational Standards; and

WHEREAS the Board of Health approved budget represents a reasonable estimate of anticipated expenses required to support operations; and

WHEREAS as a result of operational realities budgeted expenditures are often not fully realized, enabling unanticipated one-time cost pressures to be managed with in-year budget reallocations; and

WHEREAS by formally acknowledging the practice and requirements regarding the reallocation of budgeted in-year funds, the Board of Health demonstrates accountability, transparency and appropriate financial stewardship;

THEREFORE BE IT RESOLVED THAT the Board of Health confirm the authority of the Medical Officer of Health/Chief Executive Officer to authorize the reallocation of gapped or surplus funds from the Board of Health approved budget to address Health Unit needs; such authority being exercised in compliance with the SDHU by-laws, policies and procedures, including, without restricting the generality of the foregoing, SDHU financial, signing, authorization and procurement by-laws, policies and procedures; and also exercised in compliance with the Public Health

Accountability Agreement, the Ontario Public Health Organizational Standards and any applicable restrictions in funding terms and conditions; and

FURTHER THAT the Medical Officer of Health/Chief Executive Officer will, in the monthly report of the Medical Officer of Health/Chief Executive Officer, inform the Board of Health regarding the surplus funding processed in the period covered by the report.

CARRIED

d) Baby-Friendly™ Designation

The Family Health Team manager, Megan Dumais, was invited to make a presentation to the Board regarding the Baby Friendly Initiative (BFI). Dr. Sutcliffe noted that this presentation will help further inform the proposed motion and complements today's earlier presentation on the infant feeding study.

The Ministry has outlined specific BFI requirements to be achieved over the next three years:
Preliminary: to be achieved by end of 2012 or early 2013
Intermediate: to be achieved by end of 2013 or early 2014
Advanced: to be achieved by end of 2014 or early 2015

M. Dumais explained the Baby-Friendly Initiative, the 10 steps to successful breastfeeding, key community partners who are working with the SDHU to move BFI forward, as well as the associated challenges and opportunities. In addition to seeking the Board's support for moving the BFI designation process forward, next steps in achieving the BFI designation includes amending the 2003 SDHU BFI policy to be more relevant and in-line with BFI expectations and providing future policy orientation to the Board.

Questions were entertained and in response to a question regarding any resource implications, Dr. Sutcliffe noted that there is an increasing expectation that this type of work related to performance targets be delivered with flatlined funding. The BFI will primarily be delivered through the Healthy Babies Healthy Children Program and Family Home Visitors. Our work in educating Best Hubs staff and successes of our Breastfeeding Companion (ABC) program were highlighted.

M. Dumais was thanked for her presentation.

05-13 BABY-FRIENDLY™ DESIGNATION

Moved by Schoppmann- Spencer: WHEREAS exclusive and sustained breastfeeding provides a biologically efficient system that provides nutritional, immunological, and emotional nurturing for normal growth and development during the vulnerable first years of a child's life; and

WHEREAS Health Canada, the Canadian Pediatric Society, the Dietitians of Canada, and the Public Health Agency of Canada state that breastfeeding exclusively for the first six months, and sustained for up to two years or longer with appropriate complementary feeding is important for the nutrition, immunologic protection, growth, and development of infants and toddlers; and

WHEREAS 82% of mothers in the Sudbury & District Health Unit area intended to breastfeed, but only 50% of mothers were feeding breastmilk in hospital and at discharge; and

WHEREAS achieving Baby-Friendly™ designation is a new Ministry of Health and Long-Term Care Accountability Agreement requirement for all public units;

THEREFORE BE IT RESOLVED THAT the Sudbury & District Board of Health direct the Medical Officer of Health to achieve Baby-Friendly™ designation; and

FURTHER THAT the Board of Health request that all municipalities within the Sudbury & District area protect, promote, and support breastfeeding through best practices as outlined in the Baby Friendly Initiative

4. Communications/Training Schedule

5. Previous Business

5.1 Municipal Complex Evacuation Plan

The draft plan was distributed; it will be reviewed and distributed to the other tenants for review and brought back in February 2013.

Training for fire extinguishers is required, either from a member of the Fire Department or the service provider. The Chair will look into it.

5.2 Health & Safety Recognition Policy

The current Health & Safety Recognition Policy was distributed; the members were asked to review it and to bring back recommendations on how to improve it.

The following suggestions were made:

-that the process become part of the annual Employee Performance Review Process done by Department Heads. The recommended recognitions could be submitted to the CAO

-an annual time could be set up to recognize employees

-highlight certain dates (example, two, four, five year) for a more significant reward

The recommendations will be brought back in February then recommended to the Finance & Administration Committee.

6. Accident Report

None reported.

7. Workplace Inspection Report

Workplace Inspection Reports were handed in to the Chair to file.

8. Health and Safety, Concerns/Suggestions

The Members agreed that a Report be prepared by the Chair to be submitted at the Finance & Administration Committee after each meeting in order to address issues and make recommendations.

Don brought up a concern at the Station 2; the rescue vehicle must have a step installed to enter the unit at the rear, the step is about 23 inches from the ground, it is hazardous to the firefighters especially in bunker gear. It was suggested that a slide out step be installed.

Linda commented that there are items (wood, metal) left on the side of the Library (Fire Hall) in Noëlville. The items are unsightly and could be hazardous; they were supposed to be cleaned up. The Chair will address it.

Kyle informed that a Project Team was established for the construction of the Landfill Building.

Linda did research on online WHIMIS training and had forwarded two links to the Chair who will verify them and advise the employees that require the training.

THE CORPORATION OF THE MUNICIPALITY OF FRENCH RIVER

BY-LAW 2013-01

BEING A BY-LAW TO AMEND ZONING BY-LAW 2003-23, AS AMENDED
(1814746 Ontario Ltd)

WHEREAS By-law 2003-23 of the Municipality of French River has been passed, being a Zoning By-law to regulate the use of land and the character, location, and use of buildings and structures, in the Municipality of French River, under the authority of Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13;

AND WHEREAS the Council for the Municipality of French River may amend such By-law in accordance with the provisions of Section 34 of the Planning Act, R.S.O. 1990, Chapter P.13;

AND WHEREAS the Council for the Municipality of French River has received an application to amend such By-law;

NOW THEREFORE THE COUNCIL FOR THE CORPORATION OF THE MUNICIPALITY OF FRENCH RIVER ENACTS AS FOLLOWS:

1. Schedule 9 (Bigwood Township) of By-law 2003-23 of the Municipality of French River, as amended, is hereby further amended by the addition of Special Provision 68 (S68), on Part of Lot 8, Concession 6, in the Township of Bigwood, now in the Municipality of French River, Territorial District of Sudbury, being Part 3, Plan SR-90, Parcel 33750 Sudbury East Section, and as shown on Schedule "A-1" affixed hereto.
2. Section 8 of By-law 2003-23 of the Municipality of French River is hereby amended by the addition of the following Special Provision:
 68. Notwithstanding any provisions to the contrary of Section(s) 7.12 of By-law 2003-23, within the lands zoned Industrial General (MG), described as Part of Lot 8, Concession 6, in the Township of Bigwood, now in the Municipality of French River, Territorial District of Sudbury, being Part 3, Plan SR-90, Parcel 33750 Sudbury East Section, the following special provisions shall apply:

THE CORPORATION OF THE MUNICIPALITY OF FRENCH RIVER

BY-LAW 2013-05

BEING A BY-LAW TO AUTHORIZE THE BORROWING OF MONEY TO MEET
CURRENT EXPENDITURES

WHEREAS the Council of the Corporation of the Municipality of French River deems it necessary to borrow funds from time to time to meet, until the taxes are collected, the current expenditures of the Corporation for the current year under the provisions of the Municipal Act, 2001 S.O. 2001, c. 45, as amended to October 22, 2008;

AND WHEREAS Section 407 of the Municipal Act, 2001 S.O. 2001, c. 45, as amended to October 22, 2008, provides authority for a council by By-law to authorize the head of council and the Treasurer to borrow from time to time, by way of promissory note or bankers' acceptance, such sums as the council considers necessary to meet, until taxes are collected and other revenues are received, the current expenditures of the Corporation for the current year,

AND WHEREAS the total amount which may be borrowed from all sources at any one time to meet the current expenditures of the Corporation, except with the approval of the Ontario Municipal Board, is limited by Section 407 of the Municipal Act.

NOW THEREFORE the Council of the Corporation of the Municipality of French River enacts as follows:

1. The Head and the Treasurer of the Corporation are hereby authorized on behalf of the Corporation to borrow from time to time, from the Caisse Populaire d'Alban and the Caisse Populaire de Noëlville, herein after referred to as the Bank, funds to meet, until the taxes are collected, the current expenditures of the Corporation for the year including the amount required for the purposes mentioned in the Municipal Act, as amended, and to give, on behalf of the Corporation, to the Bank a promissory note or notes, sealed with the corporate seal and signed by them for the money so borrowed with interest at a rate not exceeding Prime plus one quarter per cent per annum, which may be paid in advance or otherwise.
2. The total amount which may be borrowed at any one time under this By-law, together with the total of any similar borrowing that has not been repaid, shall not exceed, from January 1st until September 30th of the current year, 50 percent of the estimated revenues of the Corporation as set forth in the estimates adopted for the year. Such borrowing shall not exceed, from October 1st until December 31st of the current year, 25 percent of the said estimated revenues of the Corporation as set forth in the estimates adopted for the year. For purposes of this By-law, the estimated revenues of the corporation shall not include revenues derivable or derived from (a) arrears of taxes, fees or charges, or (b) a payment from a reserve fund of the municipality, whether or not the payment is for a capital purpose.

3. All sums borrowed from the Bank, for any or all the purposes mentioned in the Sec. 407 of the Municipal Act, as amended, shall, with interest thereon, be a charge upon the whole of the revenues of the Corporation for the current year and for all preceding years, as and when such revenues are received.
4. The Treasurer is hereby authorized and directed to apply in payment of all sums borrowed under the authority of this By-law, as well as all other sums borrowed in this year and any previous years, from the Bank for any purposes mentioned in the Municipal Act, 2001, S.O. 2001, C. 25, as amended, together with interest thereon, all of the money collected or received from any other source, which may lawfully be applied for such purpose.
5. This By-law shall come into force and take effect on the day it is passed.
6. Any and all By-laws inconsistent with this By-law are hereby repealed.

THE CORPORATION OF THE MUNICIPALITY OF FRENCH RIVER

BY-LAW 2013-07

BEING A BY-LAW TO PROVIDE FOR AN INTERIM TAX LEVY

WHEREAS Section 317(1) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, provides that a local municipality, before the adoption of the estimates for the year, may pass a by-law levying amounts on the assessment of property in the local municipality rateable for local municipality purposes.

AND WHEREAS Section 317(3) of the Municipal Act, 2001, provides that the amounts levied are subject to the following rules:

1. The amount levied on a property shall not exceed the prescribed percentage or 50 percent if no percentage is prescribed, of the total amount of taxes for municipal and school purposes levied on the property for the previous year.
2. The percentage under paragraph 1 may be different for different property classes but shall be the same for all properties in a property class; and
3. For the purposes of calculating the total amount of taxes for the previous year under paragraph 1, if any taxes for municipal and school purposes were levied on a property for only part of the previous year because assessment was added to the tax roll during the year, an amount shall be added equal to the additional taxes that would have been levied on the property if the taxes for municipal and school purposes had been levied for the entire year.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE MUNICIPALITY OF FRENCH RIVER ENACTS AS FOLLOWS:

1. Pursuant to Section 317 of the Municipal Act, 2001, an interim levy is imposed on the assessment of all property in the Municipality of French River;
2. The amount levied shall be 50 percent, for all property classes, of the total amount of taxes for municipal and school purposes and the total amount of local improvement charges levied on the property for the previous year as determined under subsection 317 (3) of the Municipal Act, 2001.
3. The said interim taxes shall be paid in two (2) installments as follows:
 - 3.1. One half of the interim taxes rounded upwards to the next whole dollar shall become due and payable on the 27th day of March 2013.
 - 3.2. The balance of the interim taxes shall become due and payable on the 24th day of April 2013.

- 3.3. Non payment of the amount on the dates stated in accordance with this section shall constitute a default.
- 3.4. In default of such payment or any part of the installments by the day named for the payment of such amounts, the subsequent installment or installments shall forthwith become due and payable.
4. The Tax Collector shall, no later than twenty-one days prior to the due date of the first installment, mail or cause to be mailed to the address of residence or place of business of such person indicated on the last revised assessment roll, a written or printed notice specifying the amount of taxes payable.
5. Immediately after the due dates stated in section 3 of this By-law, the Tax Collector shall immediately collect at once, by distress or otherwise under the provisions of the statutes, all such installments or parts thereof that have not been paid on or before the respective dates provided, together with the said percentage penalty charges as they are incurred.
6. The Tax Collector is hereby authorized to accept part payment from time to time on any taxes due, and to give receipt for such part payment provided that the acceptance of any such part payment shall not affect the collection of any percentage penalty charge imposed and collectable under this By-law with respect to non payment of taxes or any installment thereof.
7. Taxes shall be payable to the Corporation of the Municipality of French River and are payable:
- at the Municipal Office, 44 St. Christophe Street, Suite 1, Noëlville, Ontario
 - by First Class Mail to P.O. Box 156, Noëlville, Ontario P0M 2N0
 - at all Caisse Populaire Locations
 - by Pre-Authorized Payment by registration only
 - Online by using the services of AccèsD at <https://accesd.desjardins.com>
 - Online by using the services of *TelPay Inc.* at <http://www.telpay.ca/ppay1.html>
8. Penalties and interest apply as follows:
- 8.1. On all taxes of the interim levy, which are in default on the 27th day of March 2013 and the 24th day of April 2013, a penalty of 1.25% shall be added and thereafter a penalty of 1.25 % per month will be added on the first day of each and every month the default continues, until December 31, 2013.
- 8.2. On all taxes of the interim levy in default on January 1st, 2014, interest will be added at the rate of 1.25% per month for each month or fraction thereof of default;
- 8.3. On all other taxes in default on January 1st, 2013, interest shall be added at the rate of 1.25% per month or fraction thereof, and all by-laws and parts of by-laws inconsistent with this provision are hereby rescinded.

8.4. Penalties and interest on all taxes of the interim levy in default shall become due and payable and shall be collected forthwith as if the same had originally been imposed and formed part of such unpaid interim tax levy.

9. This By-law shall take force and effect on the day of its final passing.

10. All By-laws and parts of By-laws inconsistent with this By-law are hereby rescinded.

The Corporation of the Municipality of French River

Dear Sirs:

We have been informed that the Corporation of the Municipality of French River (the "Municipality") has closed Monte Boisvenue Road. With the Municipality's permission, The French River Snowmobile Association grooms part of that road as part of the existing C Trail. To formalize that permission and to ensure that the Municipality is covered by the OFSC liability insurance we request that you complete and sign the attached land use permit at your earliest convenience.

We trust that the information provided meets your requirements and the request meets with your approval. Should you require additional information, or wish to discuss these or any other matters, please do not hesitate to contact us at your convenience.

Yours very truly

Dear Members of Municipal Council,

MICA has launched its advocacy role for the Georgian Bay Cycling Route project. The route encompasses all of the Georgian Bay Basin, a portion of the North Shore Rainbow Country, the Bruce Peninsula and Manitoulin Island. It involves three Regional Tourist Organizations and is over 900km in length. It builds on infrastructure achievements completed over the past two years across Northern and Southern Ontario. We are currently in phase two of our FedNor application and have started other funding avenues.

MICA seeks a support letter in principle for the Georgian Bay Cycling Route Project.

The following are some expected benefits of the Georgian Bay Cycling Route:

- **Opens local and international economic marketing options**
- **Encourages safe, active living all around the Georgian Bay Basin**
- **Brings back tourism to regions bypassed by four lane highways**
- **Provides the Greater Toronto Area with a sustainable green holiday option**
- **Assists the M.S. Chi-Cheemaun ferry in attracting more tourists**
- **Links existing infrastructure**
(e.g., paved shoulders on Hwy 6, Bike Train to Orillia, Park Bus to Owen Sound/Tobermory)
- **Links with the Trans Canada Trail**

Please find additional statistics and detailed information attached.

Please also note for your information that: Ontario has made Cycling Infrastructure eligible under the Municipal Infrastructure Investment Initiative, but as we understand it, it must be part of a Municipality's complete Asset Management Plan.

Thank you for your support.

MICA Chair

February 20, 2013

Dear Manitoulin Island Cycling Advocates,

Please consider this a letter of endorsement from the Municipality of French River for the Georgian Bay Cycling Route proposed by the Manitoulin Island Cycling Advocates (MICA).

This more than 900 km route, encompassing the Georgian Bay basin, the Bruce Peninsula and Manitoulin Island, will pass through some of the most scenic tourist areas in Ontario. We therefore agree that it will do much to promote cycling tourism in the Georgian Bay area.

We also agree that the route will contribute significantly towards implementation of the Ontario Ministry of Transportation's new Cycling Strategy recommendations (draft paper, 11/12). These recommendations include support for "the development of local municipal cycling networks" and "a province-wide cycling network." The GB Cycling Route will encourage the development of local cycling networks and provide important links to northern and southern Ontario. Municipalities are encouraged to integrate "their proposed cycling infrastructure into their asset management plans" to receive funding from the province. Improved cycling infrastructure will make cycling safer and promote a healthier lifestyle.

According to the MTO Cycling Strategy paper, over 600,000 Ontarians ride their bikes on a daily basis. With access to the GB Cycling Route available via ParkBus and Bike Train, cyclists in the GTA are sure to be attracted. We can also see that the route will become a well known cycling destination attracting international cycling tourists. As interest in cycling continues to grow, it is quite likely that, just like La Route Verte in Quebec, the GB Cycling Route will begin to generate "\$30,000 per kilometre."

French River is actively involved with trail creation, as the first portion of our multi-use trail network is set to open in the spring of 2013. An active trail network throughout the region will aid with local and regional tourism efforts.

For the reasons stated above, we heartily endorse MICA's proposal for a Georgian Bay Cycling Route.

Yours truly,

Claude Bouffard

The Sudbury East Planning Board has received applications for consent which proposes to create three (3) lots, one (1) right-of-way, and one (1) lot addition from the subject lands on Sedgewick Road in the Municipality of French River. Identical applications were approved by the Sudbury East Planning Board on December 8, 2011, and while the majority of conditions were fulfilled, the applications lapsed before receiving final consent (B/27-30/11/FR).

Please provide any comments you may have regarding this application by February 21, 2013.

Georgian Bay in Crisis

Whereas the Great Lakes have experienced declining water levels over the past 20 years, and

Whereas nowhere has it been so obvious as in Georgian Bay, currently the largest fresh water archipelago in the world, and

Whereas in 2013 water levels in Georgian Bay dropped over 67 cm, and

Whereas this significant drop of water level is now below any documented historic level, and

Whereas, the “Ribbon of Life”—wetlands, shorelines, fish and animal habitat—is at risk, and

Whereas access to residences, viability of business operations, First Nations’ and municipal infrastructure, are all at risk because of this major change in water level, and

Whereas the economic prospects for the Georgian Bay watershed communities are in jeopardy, and

Whereas the Chiefs, Mayors, and Reeves whose jurisdictions front on the Bay now declare that Georgian Bay is in crisis, and

Whereas it seems entirely probable that, under current circumstances, the water levels in the Great Lakes will continue to decline for the foreseeable future, and

Whereas Federal and Provincial Governments have responsibilities to preserve and protect the Great Lakes, and

Whereas Federal and Provincial Governments must quickly develop action plans to alleviate the 2012 low water impact on Georgian Bay communities, and

Whereas Federal and Provincial Governments need not only to accept that Georgian Bay is in crisis but also to consider how to protect the long term viability of the Great Lakes, and

Whereas Federal and Provincial Governments need to proclaim that they are committed to the preservation of the Great Lakes and need to give the highest priority to taking strong actions to remedy this crisis,

Be it now resolved that the Georgian Bay Chiefs, Mayors, and Reeves recommend the following actions be included as part of the Federal and Provincial plans to remediate water levels in the Great Lakes and to ensure clean water, with high quality fish and animal habit, alongside healthy and vibrant communities.
