Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of The Corporation of the Municipality of French River (the "Municipality") are the responsibility of the Municipality's management and have been prepared in accordance with Canadian Public Sector Accounting Standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as described in Note 1 to the financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Municipality's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in accordance with Canadian Public Sector Accounting Standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management. Council meets with management and the external auditor to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by Baker Tilly SNT LLP, independent external auditor appointed by the Municipality. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Municipality's consolidated financial statements.

**To the Members of Council, Inhabitants and Ratepayers of
The Corporation of the Municipality of French River**

Opinion

We have audited the consolidated financial statements of The Corporation of the Municipality of French River, which comprise the consolidated statement of financial position as at December 31, 2024, and the consolidated statements of operations and accumulated surplus, cash flows and change in net financial assets for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of The Corporation of the Municipality of French River as at December 31, 2024, and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

ACCOUNTING • TAX • ADVISORY

Baker Tilly SNT LLP is a member of Baker Tilly Canada Cooperative, which is a member of the global network of Baker Tilly International Limited. All members of Baker Tilly Canada Cooperative and Baker Tilly International Limited are separate and independent legal entities.

COMPTABILITÉ • FISCALITÉ • SERVICES-CONSEILS

Baker Tilly SNT s.r.l. est membre de la Coopérative Baker Tilly Canada, qui fait partie du réseau mondial Baker Tilly International Limited. Les membres de la Coopérative Baker Tilly Canada et de Baker Tilly International Limited sont tous des entités juridiques distinctes et indépendantes.

Independent Auditor's Report (Continued)

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements (Continued)

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies

The consolidated financial statements of the Municipality are the representations of management prepared in accordance with accounting policies recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic consolidated financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgement.

(a) Basis of Consolidation

(i) Consolidated Entities

These consolidated financial statements reflect the financial assets, liabilities, non-financial assets, accumulated surplus, revenues and expenses of the Municipality and include the activities of all committees of Council and of The Corporation of the Municipality of French River Public Library Board.

All inter-fund assets and liabilities and revenues and expenses have been eliminated.

(ii) Non-Consolidated Entities

The following joint local boards are not consolidated:

Sudbury and District Health Unit
Manitoulin - Sudbury District Services Board
Sudbury East Planning Board

(iii) Accounting for School Board Transactions

The Municipality is required to collect and remit education support levies in respect of residential and other properties on behalf of the area school boards. The Municipality has no jurisdiction or control over the school boards operations. Therefore, taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards are not reflected in the accumulated surplus of these consolidated financial statements.

(iv) Cemetery Care and Maintenance Fund

The Cemetery Care and Maintenance Fund and its related operations administered by the Municipality are not consolidated, but are reported separately on the Cemetery Care and Maintenance Fund Statement of Continuity and Statement of Financial Position.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting

(i) Accrual Basis

The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(ii) Cash and Cash Equivalents

The Municipality's policy is to disclose bank balances under cash and cash equivalents, including bank overdrafts with balances that fluctuate frequently from being positive to overdrawn and term deposits with maturities of three months from the date of acquisition or less or those that can be readily convertible to cash.

(iii) Inventory Held for Resale

Inventory held for resale consisting of surplus land, cemetery plots and columbarium niches, is recorded at the lower of cost and net realizable value.

(iv) Reserves

Certain amounts, as approved by municipal council, are set aside in reserves for future operating and capital purposes. Transfers to and/or from reserves are an adjustment to the respective fund when approved.

(v) Deferred Revenues

Deferred revenues represent government transfers, contributions and other amounts that are received from third parties pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible capital assets are acquired.

(vi) Deferred Revenue - Obligatory Reserve Funds

The Municipality receives certain government grants, transfers, sub-divider contributions and other revenues under the authority of legislation. These funds, by their nature, are restricted in their use and, until applied to specific expenses, are recorded as deferred revenue. Amounts applied to qualifying expenses are recorded as revenue in the fiscal period they are expended.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting (Continued)

(vii) Employee Future Benefits

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS) which is a multi-employer contributory defined benefit program with contributions expensed as incurred.

(viii) Asset Retirement Obligations

Asset retirement obligations represent the legal obligations associated with the retirement of a tangible capital asset that result from its acquisition, construction, development, or normal use.

The liability associated with an asset retirement obligation is measured with reference to the best estimate of the amount required to ultimately remediate the liability at the consolidated financial statement date to the extent that all recognition criteria are met. Asset retirement obligations are only recognized when there is a legal obligation for the Municipality to incur costs in relation to a specific tangible capital asset, when the past transaction or event causing the liability has already occurred, when economic benefits will need to be given up in order to remediate the liability and when a reasonable estimate of such amount can be made. The best estimate of the liability includes all costs directly attributable to the remediation of the asset retirement obligation, based on the most reliable information that is available as at the applicable reporting date. Where cash flows are expected over future periods, the liability is recognized using a present value technique.

When a liability for an asset retirement obligation is initially recognized, a corresponding adjustment to the related tangible capital asset is also recognized. Through the passage of time in subsequent reporting periods, the carrying value of the liability is adjusted to reflect accretion expenses incurred in the current period. This expense ensures that the time value of money is considered when recognizing outstanding liabilities at each reporting date. The capitalized asset retirement cost within tangible capital assets is also simultaneously depreciated on the same basis as the underlying asset to which it relates.

At remediation, the Municipality derecognizes the liability that was established. In some circumstances, gains or losses may be incurred upon settlement related to the ongoing measurement of the liability and corresponding estimates that were made and are recognized in the consolidated statement of operations and accumulated surplus.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting (Continued)

(ix) Segmented Information

The Municipality reports its segmented information on functional areas and programs in its consolidated financial statements similar to reporting reflected as part of the Ontario Financial Information Return. These functional areas represent segments for the Municipality:

General Government

General government is comprised of Council, administration, and Ontario Property Assessment.

Protection Services

Protection is comprised of police, fire and other protective services.

Transportation Services

Transportation services are responsible for road maintenance, culverts, bridges, winter control, traffic, signs signals and streetlights.

Environmental Services

Environmental services include water supply and distribution, wastewater treatment, waste and recycling services.

Health Services

Health services include public health services and cemetery services.

Social and Family Services

Social and family services include social assistance, long-term care, paramedic services, social housing and child care services.

Recreation and Cultural Services

Recreation and cultural services include parks and recreation, recreation facilities, culture and libraries.

Planning and Development

Planning and development manages development for residential and business interests as well as services related to the Municipality's economic development programs.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting (Continued)

(x) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the annual surplus over expenses, provides the Consolidated Change in Net Financial Assets for the year.

(a) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset and legally or contractually required retirement activities. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Buildings	40 years
Roads	10, 20 and 40 years
Bridges	20 years
Streetlights	20 years
Vehicles	7 and 20 years
Equipment	3, 5, 10 and 20 years
Parks and wharfs	20 years
Storm sewers	40 years
Sanitary sewers	40 years
Landfill	40 years
Parking lot	20 years

Assets under construction are not amortized until the asset is available for productive use.

Buildings include water filtration systems amortized over a period of 10 years.

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

(b) Inventory

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost, which represents the best available measure of net realizable value.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting (Continued)

(xi) Taxation and Other Revenues

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Municipal Property Assessment Corporation ("MPAC") and in accordance with the provisions of the Municipal Act, 2001. Tax rates are established annually by Council, incorporating amounts to be raised for local services and amounts the Municipality is required to collect on behalf of the Province of Ontario in respect of education taxes.

A normal part of the assessment process is the issue of supplementary assessment rolls which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the Municipality determines the taxes applicable and renders supplementary tax billings. Taxation revenues are recorded at the time tax billings are issued.

Assessment and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the result of the appeal process is known or based on management's best estimates.

The Municipality is entitled to collect interest and penalties on overdue taxes. These revenues are recorded in the period the interest and penalties are levied.

User charges are recognized in the period in which the revenue relates.

Other income is recognized as revenue when earned. Fines and fees are recognized as revenue when collected.

(xii) Government Transfers

Government transfers are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occurs, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent that stipulations associated with the transfer give rise to a liability. If a liability is created, the satisfaction of the transfer stipulations by the recipient government determines the timing of the recognition of the transfer as revenue.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

1. Significant Accounting Policies (Continued)

(b) Basis of Accounting (Continued)

(xiii) Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. These estimates are based on management's best knowledge of current events and actions that the Municipality may undertake in the future.

(c) Financial instruments

Financial instruments are classified at either fair value or amortized cost.

Financial instruments classified at amortized cost include cash, taxes receivable, accounts receivable, term deposits, notes receivable, accounts payable and accrued liabilities, other current liabilities, accrued interest and municipal debt. They are initially recorded at their fair value and subsequently carried at amortized cost using the effective interest rate method, less impairment. Transaction costs are added to the carrying value of the instrument.

2. Change in Accounting Policies

On January 1, 2024, the Municipality adopted the following standards on a prospective basis: PS 3400 *Revenue*, PSG-8 *Purchased Intangibles* and PS 3160 *Public Private Partnerships (P3s)*. The adoption of these standards had no impact on the opening balances.

Section PS 3400 - *Revenue*, establishes standards on how to account for and report on revenue, specifically differentiating between transactions that include performance obligations (i.e. the payor expects a good or service from the public sector entity), referred to as exchange transactions, and transactions that do not have performance obligations, referred to as non-exchange transactions.

Guideline PSG-8 - *Purchased Intangibles*, provides guidance on the accounting and reporting for purchased intangible assets that are acquired through arm's length exchange transactions between knowledgeable, willing parties that are under no compulsion to act.

Section PS 3160 - *Public Private Partnerships (P3s)*, provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

3. Measurement Uncertainty

Certain items recognized in the consolidated financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the Municipality's best information and judgment.

- The amounts recorded for landfill closure and post-closure care depend on estimates of usage, remaining life and capacity. The provision for future closure and post-closure costs also depends on estimates of such costs.
- The amounts recorded for amortization and opening costs of tangible capital assets are based on estimates of useful life, residual values and valuation rates.
- The amount recorded for the allowance for doubtful taxes receivable are based on estimates of recoverability for taxes in arrears.

By their nature, these estimates are subject to measurement uncertainty and the effect on the consolidated financial statements of changes in such estimates in future periods could be significant.

4. Taxes Receivable

	<u>2024</u>	<u>2023</u>
Current taxes	\$ 484,101	\$ 432,942
Tax arrears	181,030	156,097
Payments in lieu	59,302	59,148
Interest and penalties	<u>73,933</u>	<u>60,815</u>
	<u>\$ 798,366</u>	<u>\$ 709,002</u>

5. Notes Receivable

Notes receivable consist of term loans for garbage bins, Prevost Road local improvement charges and French River Rapids loan per agreements passed by Council. These notes bear interest at rates of 0% to 6.75% and are amortized over a period of 5 to 10 years.

The principal instalments required over the next five years are as follows:

2025	\$ 6,088
2026	1,124
2027	1,162
2028	1,201
2029	1,241
Thereafter	<u>1,285</u>
	<u>\$ 12,101</u>

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

6. Asset to be transferred - Seniors complex

In January 2024, the Municipality signed an agreement with Descon Construction Ltd. for the construction of a seniors complex. Under the agreement, the total cost of the contract is estimated to be \$9,801,350 plus HST, subject to adjustments. At December 31, 2024, \$5,008,618 of constructions costs had been incurred with an estimated \$4,792,732 remaining to be completed in 2025.

On April 17, 2024, the Municipality entered into an interim construction facility agreement to finance the construction project of the seniors complex. During the construction period, the Municipality is required to make monthly interest payments only calculated on the outstanding principal amount of the loan as funds are advanced by the lender. The interim construction facility totals \$9,801,350 bearing interest at the bank's prime lending rate plus 0.5% per annum. The loan is secured by land registered to the Municipality and assignment of rents and insurance proceeds. At December 31, 2024, advances totalled \$4,134,549.

Upon completion of the construction of the seniors complex, the advances on the construction loan will be converted to a long-term loan. The Municipality will then transfer legal title of the asset as well as the long-term loan obligation to the incorporated organization that will be responsible for managing the complex.

7. Deferred Revenues

	Balance as at January 1, 2024	Amounts received during the year	Recognized as revenues during the year	Balance as at December 31, 2024

8. Deferred Revenues - Obligatory Reserve Funds

A requirement of the Chartered Professional Accountants Canada Public Sector Accounting Handbook is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as legislation and external agreements restrict how these funds may be used and under certain circumstances these funds may possibly be refunded. The balance in the obligatory reserve funds of the Municipality are summarized below:

	Balance as at December 31, 2023	Amounts received during the year	Recognized as revenues during the year	Balance as at December 31, 2024
Parkland	\$ 126,648	\$ 13,470	\$ 32,960	\$ 107,158
Safe Restart	235,114	-	56,953	178,161
Covid Recovery for Municipalities	78,535	-	-	78,535
Canada Community - Building Fund	532,433	189,668	722,101	-
Ontario Community Infrastructure Fund	288,068	168,856	68,430	388,494
Northern Ontario Resource Development Support Fund	421,386	122,351	-	543,737
Sudbury East Building and By-law Services	-	393,024	370,746	22,278
Total Deferred Revenues - Obligatory Reserve Funds	\$ 1,682,184	\$ 887,369	\$ 1,251,190	\$ 1,318,363

9. Municipal Debt

	2024	2023
Debenture, payable in bi-annual instalments of \$24,876 including interest at a rate of 3.68%, final instalment due May 3, 2032	\$ 323,504	\$ 360,332
Debenture, payable in bi-annual instalments of \$116,220 including interest at a rate of 5.14%, final instalment due December 1, 2039	2,409,961	2,514,482
	\$ 2,733,465	\$ 2,874,814

The Corporation of the Municipality of French River
Notes to the Consolidated Financial Statements
December 31, 2024

9. Municipal Debt (Continued)

Principal instalments required to be paid over the next five years are as follows:

2025	\$ 148,158
2026	155,302
2027	162,796
2028	170,658
2029	178,906
Thereafter	<u>1,917,645</u>
	<u>\$ 2,733,465</u>

10. Asset Retirement Obligations

The Municipality has recorded an asset retirement obligation as of the January 1, 2023 implementation date on a prospective basis. At December 31, 2024, all liabilities for asset retirement obligations are reported at current cost without discounting. A reconciliation of the beginning and ending aggregate carrying amount of the liability is below:

	<u>2024</u>	<u>2023</u>
Balance, beginning of year	\$ 1,439,893	\$ 1,375,997
Accretion expense	<u>67,063</u>	<u>63,896</u>
Balance, end of year	<u>\$ 1,506,956</u>	<u>\$ 1,439,893</u>

The asset retirement obligation at year-end is as follows:

	<u>2024</u>	<u>2023</u>
Landfill	\$ 1,419,956	\$ 1,352,893
Drinking water well	<u>87,000</u>	<u>87,000</u>
Balance, end of year	<u>\$ 1,506,956</u>	<u>\$ 1,439,893</u>

Landfill

Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. The main components of the landfill closure plan will involve covering the site with topsoil and vegetation, drainage control, and installing groundwater monitoring wells. Post-closure costs include regular inspection of the cover layer and annual groundwater and surface water monitoring.

The Corporation of the Municipality of French River
Notes to the Consolidated Financial Statements
December 31, 2024

10. Asset Retirement Obligations (Continued)

Landfill (Continued)

The reported liability is based on estimates and assumptions with respect to events extending over the estimated remaining useful life using the best information available to management. Future events may result in significant changes to the estimated total expense, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

The Municipality's environmental engineers, in their document to council dated April 2025, have planned a capacity expansion at the Noëlville landfill site. This expansion, through approval of phase two and three, has the potential to allow for an additional 32 years of landfilling capacity, with an estimated closure date of 2068.

	Estimated Remaining Capacity	Estimated Remaining Life	Post-Closure Care Activities	Inflation Rate	Discount Rate
2024					
French River	21.4% (45,697 m³)	12 years	25 years	3.58%	4.96%
2023					
French River	23.2% (49,505 m³)	13 years	25 years	3.58%	4.96%

Drinking water wells

The Municipality owns drinking water wells which represents an environmental hazard upon removal and decommissioning and there are legal obligations regarding how they must be removed. The timing of post-closure care cannot yet be reasonably estimated, so no discounting has been applied to the liability.

The Corporation of the Municipality of French River

13. Commitment

Under the terms of an operating lease for contractual services related to water and waste water facilities expiring in December 2025, the Municipality is committed to make minimum payments as follows:

2025	<u><u>\$ 58,800</u></u>
------	-------------------------

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

14. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer pension plan, on behalf of all permanent, full-time and qualifying part-time members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. OMERS provides pension services to more than 639,765 active and retired members and approximately 1,052 employers.

Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the "Plan") by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. On December 31, 2024, the estimated accrued pension obligation for all members of the Plan was \$140,766 million (2023 - \$134,574 million). The Plan had an actuarial value of net assets at that date of \$137,853 million (2023 - \$130,372 million) indicating an actuarial deficit of \$2,913 million (2023 - \$4,202 million). Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit.

The amount contributed to OMERS in 2024 was \$203,813 (2023 - \$190,191) for current services and is included as an expense on the Consolidated Statement of Operations and Accumulated Surplus.

On January 1, 2024, the yearly maximum pension earnings increased to \$68,500 from \$66,600 in 2023. The contributions are calculated at a rate of 9.0% (2023 - 9.0%) for the amount up to the yearly maximum pension earnings stated above and at a rate of 14.6% (2023 - 14.6%) for the amount above the yearly maximum pension earnings.

15. Cemetery Care and Maintenance Fund

The Cemetery Care and Maintenance Fund administered by the Municipality amounting to \$167,978 (2023 - \$162,327) has not been included in the Consolidated Statement of Financial Position nor has its operations been included in the Consolidated Statement of Operations and Accumulated Surplus.

16. Financial Instruments

Risks arising from financial instruments and risk management.

The Municipality is exposed to a variety of financial risks including credit risk, liquidity risk and market risk.

There have been no changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

The Corporation of the Municipality of French River

Notes to the Consolidated Financial Statements

December 31, 2024

16. Financial Instruments (Continued)

Credit risk

Credit risk is the risk of losses resulting from a counterparty's failure to honour its contractual obligations. The Municipality is exposed to credit risk to the extent that taxes receivable, accounts receivable and notes receivable are not collected in a timely manner. The Municipality's financial assets consisting of cash and cash equivalents, term deposits, taxes receivable, accounts receivable and notes receivable are subject to credit risk. The carrying amounts of financial assets on the consolidated statement of financial position represent the maximum credit risk of the Municipality at the date of the consolidated statement of financial position. The Municipality does not believe it is subject to significant credit risk.

Liquidity risk

Liquidity risk is the risk that the Municipality will not be able to meet its financial obligations as they become due. The Municipality's financial liabilities include accounts payable and accrued liabilities, other current liabilities, accrued interest and municipal debt. The Municipality maintains sufficient resources to meet its obligations. The Municipality does not believe it is subject to significant liquidity risk.

Market risk

Market risk is the risk of changes in the fair value of financial instruments resulting from fluctuations in the market. The Municipality is exposed to currency risk, interest risk and price risk to the extent that the fair value of a financial instrument will fluctuate as a result of market factors. The Municipality's financial instruments consisting of cash and cash equivalents, term deposits, taxes receivable, accounts receivable, notes receivable, accounts payable and accrued liabilities, other current liabilities accrued interest and municipal debt are subject to market risk. The Municipality does not believe it is subject to significant market risk.

17. Budget Figures

Budget figures have been provided for comparison purposes and have been derived from the budget approved by Council. The budget approved by Council is developed in accordance with the provincially mandated funding model for municipalities and is used to manage program spending within the guidelines of the funding model. The budget figures are unaudited.

18. Comparative Figures

The presentation of certain accounts of the previous year has been changed to conform with the presentation adopted for the current year.

Opinion

We have audited the financial statements of the Cemetery Care and Maintenance Fund of The Corporation of the Municipality of French River, which comprise the statement of financial position as at December 31, 2024, and the statement of continuity for the year then ended, and note to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Cemetery Care and Maintenance Fund of The Corporation of the Municipality of French River as at December 31, 2024, and the continuity of the Cemetery Care and Maintenance Fund for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

ACCOUNTING • TAX • ADVISORY

Baker Tilly SNT LLP is a member of Baker Tilly Canada Cooperative, which is a member of the global network of Baker Tilly International Limited. All members of Baker Tilly Canada Cooperative and Baker Tilly International Limited are separate and independent legal entities.

COMPTABILITÉ • FISCALITÉ • SERVICES-CONSEILS

Baker Tilly SNT s.r.l. est membre de la Coopérative Baker Tilly Canada, qui fait partie du réseau mondial Baker Tilly International Limited. Les membres de la Coopérative Baker Tilly Canada et de Baker Tilly International Limited sont tous des entités juridiques distinctes et indépendantes.

Independent Auditor's Report (Continued)

Responsibilities of Management and Those Charged with Governance for the Financial Statements (Continued)

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies

Basis of Accounting

Capital receipts and income are reported on the cash basis of accounting.

Expenses are reported on the cash basis of accounting with the exception of administrative expenses and capital expenses which are reported on the accrual basis of accounting, which recognizes expenses as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.
